## Personalized Licence Plates

Next to a house, a car is likely the most expensive single purchase a person will make. While a car can say a lot about lifestyle, personality and taste, many people prefer to let their personalized licence plates speak for them.

Personalized licence plates are rapidly becoming a treasured item for car owners. As a gift for yourself or someone else, personalized licence plates can make a statement about a profession, favourite hobby, status in life or pride in vehicle ownership.

## What vehicles qualify?

Personalized plates can be ordered for passenger vehicles, motorcycles, mopeds, non-commercial trucks and farm trucks.

## What types of plates qualify?

Personalized plates can be ordered for regular English-only "Friendly Manitoba" plates and for Bilingual "Bienvenue" plates.

## Cost

The cost of the plates is \$100 (plus GST) per vehicle. The cost to replace a personalized plate or to transfer an existing slogan to a new plate type (such as regular to Bilingual, or car to motorcycle) is \$25 (plus GST).
