Was the third member a student? A. Yes. 115 Q. How did you come to meet Ms. Godlewski and this other person? A. The other person, I met her in class. She was in my program, so we had taken lots of classes together, and I told her about my interest in starting a group, and she was super-excited to join it. How did I get in contact with Alex? I am not really sure. I think she got in contact with me or something like that. It turns out she was a semi-popular blogger or blogger on YouTube. She used to go by the name of Alexandra Blue. We somehow got in contact together, and she told me that it was great, and I asked her if she wanted to run our social media pages. 116 Q. You also mentioned earlier that the executive is currently changing,	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	the moment. Correct? A. Yes, Sarah has someone else, but I am not sure who it is. 117 Q. There are two members of the executive? A. Well, I know the other one for sure, but I think she has someone else if they are going to apply again, because they will need two executives besides the president. If they do apply, I think she has someone on reserve just in case. I might also step up as an executive. 118 Q. Sarah and these other two people, are they all students? A. Yes, you have to be a student to be in the executive. 119 Q. Are all of MIAS's members students? A. Yes, but we do have unofficial members. Right now, because we are not an official student group, they are all the members, but to be an official member, you have to
