A. I am not sure. I have to double check in regards to the Clubs' handbook if it allows them to, like, either reschedule the general meeting beforehand. For the most part, if it is stated in the constitution where there is, like, no restrictions and it gives UTM students who are not haven't been a member in the club prior that gives them the luxury to vote in their club's general meeting, then there is nothing that could really be undone per se. If an individual doesn't provide his e-mail to a club, can that club use that individual's name on their list of members in their applications to UTMSU for club recognition? A. No. They would need their full name, student number, e-mail, I think UTor ID. I think, if I remember, that is the main things. They need their e-mail, but if students that don't want to, like, provide their e-mail, there are different ways clubs could get in contact with them. It is up to the student	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18	mass text to your membership. 158 Q. All right. You can't use those individuals who refuse to provide their e-mail or other numbers to you you can't use them to apply for club recognition? A. Yes. If they don't provide with e-mails like, either-or, either a way in terms of being able to contact. Those names would be considered invalid. We also have do our duty to make sure those students are UTM students. In our policies, it says that you need at least 25 signatures from UTM students. 159 Q. Those individuals, regardless of whether they provided that information, that contact information to the club, they can vote in that club's elections; correct? A. Yes. Due to their constitution they have within their club. 160 Q. Were you aware that SFL

Did you make them aware that they are actually going to have an election at the club meeting on the November 23rd for new executives or at least one new executive? A. They were aware there was an election going on because I did give them a brief rundown, like, this is how their general meeting is set up in regards to the agenda. So they wanted to know, like, within the agenda what would be the perfect space to raise those issues or concerns. 193 Q. Once that happened and the motion had failed, they didn't discuss about those things after. 194 Q. How did they bring up their issues within the meeting? Did they just talk to SFL about it after the meeting was called to order, or how did they bring it up? A. I can't recall how they brought it up. 195 Q. All right. Did they specifically raise the issue of men making decisions about and taking positions on the question of abortion? Did they raise that at the
