Dear Dr. Milburn:

Thank you for your response to my letter. The purpose of my request was to seek to understand the social media post attached to my previous letter. That post was brought to the attention of the College, although not as a formal complaint. I can assure you that it is not the College's practice to monitor physicians' social media use.

I do not believe that there are concerns to the level that would warrant a Registrar's complaint or any further action on this matter. Thank you for your response and cooperation.

Regards,

Keri McAdoo, MD, CCFP, FCFP
Deputy Registrar
