

The Justice Centre for Constitutional Freedoms has court actions in five provinces to end the Charter-violating lockdowns. The Justice Centre is defending against hundreds of tickets issued under public health orders which infringe on the *Charter* freedoms of Canadians, including:

FREEDOM TO ASSEMBLE

(attend a peaceful protest)

FREEDOM OF EXPRESSION

(speak out against government lockdowns)

FREEDOM TO ASSOCIATE

(have visitors to your own home)

FREEDOM OF RELIGION & WORSHIP

(attend church)

THE RIGHT TO LIBERTY

(freedom from forcible quarantine confinement, make your own medical decisions, decline a vaccine)
