We are in a field here. We have people from the community that have set up tents and have, uh, fresh food, fresh, uh, fruit, uh, water, anything you guys could possibly imagine. So, for all of the truckers out there that are sitting, not having a direction to go around the city right now, I need you guys to go to the Facebook page, the Freedom Convoy 2022, and get the link. I put a pin on that page. I will

			<p>try and copy that. (Phone sounds). Go... just ignore the messages there cuz if I muted them it seems like my volume goes wrong, so. Can everybody please organize? Like, there is... the space that they have here is unbelievable. There's probably, I don't know, twenty or thirty trucks here. We're gonna try some, uh, slow rolls, and we'll do that daily cuz we can't fit everybody into the downtown core, so, uh, this is what we gotta do. Anybody outside the city of Ottawa right now looking for direction, get to the Facebook page, find that link, get your trucks down here, get organized. There's Pilot Trucks down here, there is... It's amazing what they have here. All the food you can eat and bathrooms, heat, you name it. So, please do that, guys. We'll talk to you soon.</p>

7.	18 (TRN 18(a) – Tab 12 of Crown binder)	tiktok video on Feb 4, 2022 from account bigred19755	<p>Hey, TikTok. So, the Canadian people stood up and they wanted to support a bunch of truck drivers to go to Ottawa, to send a message to Ottawa for the Canadian people. It started a worldwide movement. Now GoFundMe has cancelled the 10-milliondollar thing, essentially leaving a whole bunch of trucks sitting in Ottawa with no m-... fuel money to get home. If this shouldn't piss everybody off right to the fucking core of "You're fucked", I don't know what will. This is big liberal bullshit biased right here. They said that we have... we're violent and we're terrorist. I have never seen so many smiles</p>

			<p>on people's faces since we've got here. There's a few people in the high rises that don't like the horns and I apologize for that. I don't know what else I can do to fix that. But people demand your money. People stand up to this shit. This is the liberal bias in this country, it can't be tolerated. They're walking all over us, they'll walk all over you. The, the... We're done with this. Stop this shit. This is... this is way bigger than all of us but now this is on GoFundMe. Everybody, demand your money back. Demand something cuz now G-GoFundMe's now come out and said that they're going to donate your dollars, your dollars to some charity of their wishes. Go fuck yourself GoFundMe. This is bullshit and you know it. If people aren't outraged by this, I don't know what else will outrage you. This is absolutely horse shit. This was never about the money for me. I was gonna pay for my own fuel to come out here and every other expense I needed but there's a lot of guys in my group right now that I'm gonna have to pay for to get home. And that's bullshit cuz we had that money there and GoFundMe totally fucked us. So, guess what? It's comin' GoFundMe, it's comin'.</p>
